NISHANT BRATHI

PROFILE

Highly motivated Web Developer with a strong background in front-end technologies including HTML, CSS, Tailwind CSS, and JavaScript. Proven track record in creating responsive, user-friendly websites and graphic designs. Seeking a challenging role in UI/UX development where I can contribute to innovative web solutions and grow with the organization.

WORK EXPERIENCE

Fraterniti Foods Pvt. Ltd.

2023 - PRESENT

Graphic Designer

- Created and optimized graphics for the company's website and social media platforms, leading to a 20% increase in online engagement.
- Edited and delivered Instagram reels and videos, contributing to the brand's consistent visual identity.
- Collaborated with cross-functional teams to meet project deadlines and client specifications.

Fraterniti Foods Pvt. Ltd.

2023

Web Developer Intern

- Continuously improved website design and functionality, enhancing user experience by reducing page load time by 30%.
- Contributed to the development and maintenance of the company's website, ensuring it was fully responsive across various devices.

PROJECTS

Monosonic Music Website

2024

- A music player I built from scratch using HTML, TailwindCSS, and JavaScript! This project lets you enjoy smooth playback of songs with custom audio controls.

NFT Website Landing Page

2024

- Created a modern, responsive website for an NFT marketplace, tailored to meet diverse user needs.

EMI Calculator

2024

- Developed a responsive EMI Calculator using HTML, CSS, and JavaScript, featuring real-time calculations and persistent localStorage record saving.

Portfolio Website

2023

- Developed a personal portfolio website showcasing professional work, projects, and achievements. Key features include project showcases, skills overview, and contact information.
